Priyanka Murthy

Siemens Healthineers,
Bangalore, Karnataka

Dear Sir/Madame,

I am writing to express my keen interest in the Technical Intern position at Siemens Healthineers. As someone passionate about technology, I am excited to contribute my skills and learn from the dynamic environment that your organization provides.

I am currently a pre-final year student pursuing a degree in Computer Science Engineering at Dayananda Sagar College of Engineering. I have a solid foundation in programming languages and problem-solving techniques. I am confident that my technical acumen, coupled with my eagerness to learn, aligns well with your company's goals.

I am thrilled at the prospect of contributing to Siemens Healthineers. Thank you for considering my application. I look forward to the opportunity for an interview.

Sincerely,
Priyanka Murthy
